WINE LIST
SPRING 2018

Our wine list is a collection of some of our favorite producers. Each wine is hand chosen for quality and dedication by its maker. The list is ever-changing and as such, wines that you have today may not be on the list tomorrow. Don't fret, the discovery of new wines is a journey and our wine team is here to guide you along the way! Quality wine, service and food are our hallmarks and we strive to treat each one with as much care and consideration as it deserves. Have fun and enjoy your experience with us!

A note about our corkage policy:

We allow you to bring a maximum of two 750ml bottles per table for your enjoyment. Each 750ml bottle will be charged \$75 for corkage and serviced by our experienced wine team. Large format bottles will be charged according to their volume.

We offer a generous one-for-one policy that allows you to enjoy your wine without corkage when you buy a bottle from us. Being passionate wine lovers ourselves, we want you to be able to enjoy your favorite bottles at Luke's, but we are also a small, family run restaurant and, as such, request your understanding. Cheers!

CHAMPAGNE

The growers and producers of Champagne and Sparkling Wines we represent is small but their impact is enormous. We choose to focus on small, artisanal producers who's quality and purity are inspiring. To single out one is unfair, but you need to look no further than the Mathieu family based in the small town of Avirey-Lingey in the Aube. Serge handed over the reigns to his daughter Isabelle and her husband Michel in 1996 and they continue to produce Champagnes that display a balance of both power and finesse. We have a very special relationship with the Mathieu family and are proud to be the only restaurant representing their range of amazing Champagnes!
