# NIXTA

Mexican Grill & Bar

#### A Note From Travis:

I am excited to let you know of our latest restaurant, Nixta, a Mexican grill and bar opening December of 2020. Nixta is the culmination of my intense reverence and respect for Mexican culture and cooking. We are especially proud to be the first in Singapore to be milling and cooking non-gmo corn for our own tortillas. A wood-fired rotisserie will anchor our open kitchen and provide the soul to many of our dishes while our molcajete bar will center on preparing our signature guacamole and salsas. We look forward to welcoming you!
